A year has passed since Elliott and his wife Allison began their journey into female domination as described in Ariane Arborene's earlier novella "The Well-Disciplined Husband." But while they both love female erotic domination, Elliott's ego is becoming a problem for his pretty wife. When they go on a Lake Tahoe ski vacation with the more experienced dominant, Krystyna, and her "subbie hubbie" Glen, Allison realizes that a loving course correction is in order. It takes a lot for a loving dome such as Allison to humiliate her handsome husband. But Elliott has been resisting her loving dominance. When Elliott goes too far, Allison has no choice. It is time to make him suffer as he has never suffered before. Cuckolding a disobedient husband will bring a change in attitude. Elliott learns to respect Allison all the more for her harsh, unyielding discipline. He is humiliated. He is changed by seeing her have sex with other men. And when he is forced to clean up his wife's intimate parts after watching her sexual pleasure, his training is complete. Scenes of explicit BDSM female domination include: cuckolding; anal strap-on sex; one woman having sex with two men; cbt; caning; foot worship; pussy worship; creample; extended bondage abandonment; spanking; female-dominant blow-job; nipple torture, and more. This is a 39,000-word novella or short novel; 145 pages long. Sexually explicit. For Adults Only. Must be 18. Downhill skiing becomes a crucial part of the story when we see Elliott try to overcome his fears and reach a new personal best on the slopes of the Lake Tahoe ski resort. Come along for a fast-paced ride down the slippery slope of a husband who has gotten too big for his britches, and the sexy, dominant wife who, as advised by the more experienced dominant, Krystyna, reduces her man to a shamed and respectful hubbie. Ariane Arborene has been publishing high-quality femdom erotica since 2010, from hard-edged explicit stories to relationship-oriented novellas. www.arianearborene.com

What if the ancient Amazons made a greater and more lasting impact on the world? Could a society practising a severe form of matriarchy/gynarchy endure and expand? This book explores an alternate history, in which the Amazons evolve from a tribe on the Eurasian Steppe into a major empire and clash with the other powers of the region. It is a story of how a powerful matriarchal state forms and interact with its neighbours and rivals, told through the viewpoints of characters that are part of or come into contact with the developing Amazon civilisation, as well as through history books written in two millenniums later. For mature readers only. This is a femdom themed alternate history containing descriptions of slavery and brutality.

Since the mid-1990s, M. J. Rennie has been publishing first rate Femdom fiction in venues as varied as the internationally known magazine Penthouse, to obscure publications such as Kinky, Sexy Letters, Hot Stuff, and West Coast Swingers. Exceptionally prolific, Rennie has published eleven novels and eight story collections, including such classic tales as MALE CHASTITY, MANHANDLING, PERMISSION, and TOTAL FEMDOM. In this omnibus volume, thirty one of Rennie's most scorching stories are presented full and complete in all their licentious luster. Collected from every phase of Rennie's twenty plus year career, no aspect of the Femdom experience goes unexplored. Featured among the offerings are pulp stories from the pre-internet era to a brand new story, PRE-NUP, written exclusively for this omnibus volume. From handsome cuckold husbands securely confined in modern Male Chastity devices to bashful boyfriends afraid to admit their submissive hungers, the sophisticated, savvy women in Rennie's naughty narratives take complete control. The resulting relationships give every woman (and man) what they cherish most - a life of blissful happiness, renewed romance, personal fulfillment, intoxicating intimacy, and outrageous orgasms.

In her third book, notable FemDom author Elise Sutton strays away from the more common lifestyles of FemDom practitioners who pursue relationships based on the principals of loving female authority, and instead she takes an honest look at men who claim to be seeking "unloving female authority" at the hands of a sadistic woman. This book also takes notice of real life experiences of female sadists and the wives and significant others of masochists. Nevertheless, the primary focus of this book is the life of the man from whom the term "masochist" was coined. Many have heard of Leopold von Sacher-Masoch

but few have heard his life story. With the narrative of Leopold's sexual journey as its foundation, this book examines contemporary self-described masochists who are in search of a cruel, sadistic woman. In other words, just like Leopold, these men are "Searching for Wanda".
