shut off the lights
enjoy the feeling of stillness
find yourself encountering the seven chakras or energy centers in your body
drifts to a red light at the base of your tailbone
stoking the fire of your second chakra restoring your energy
feel your mind shifting gently to your third chakra
lit by an emerald light resting at your heart
feeling muscle tension dissolving
enjoy the sensations of harmony and peace

get into a meditative comfortable position

take a few deep and calming breaths inhale

exhale completely feeling the calm energy settling into your emotional body

relax the front and the back of your head

relax into your natural breath

feel the healing energy of our spinning chakras

hold your hand out in front of your belly

rest your hand comfortably in your lap

move your awareness to your first energy center at the base

bringing awareness down into the very magma off the earth

feel her love streaming up through the soles of your feet

open up your first chakra

move your awareness to your second energy center just above your pubic

located in the middle of your forehead

feel the vibrating integral energy of the brow chakra

bring you awareness to the top of your head
