Thoughts Create Your Reality

Original Substance Moves According to Its Thoughts

A Science of Getting Rich

The Competitive to Creative Mind

The Necessity of Dealing with Men

Six the Creative Energy Works through the Established Channels of Natural Growth

The Mind That Seeks Mastery over Others Is the Competitive Mind

The Competitive Mind

Getting into the Right Business

Look for Ways To Make the Most of Yourself for Yourself and for Others

Making the Most of Yourself

Okay I'll Say this Again Very Important Do Not Try To Apply Your Will Power to Anything outside Yourself There Is Massive Amounts of Opportunity To Get Ourselves To Do Things a Certain Way if We Can Get Ourselves To Do Things a Certain Way To Think of Certain Way To Handle Situations in a Certain Way Then the Results Are Going To Keep Increasing and Increasing and Increase the Moment We Try To Switch Our Awareness on Trying To Control the External Factors That We Don't Have Control over We're Giving Our Power Away So Is Family to You and There's More Anxious To Give You What You Want

It Behooves You To Guard Your Thoughts Guard Your Thoughts and as Your Beliefs Will Be Sharp Shaped to the Very Extent by the Things You Observe and Think about It Is Important that You Should Command Your Attention Everyone's Trying To Get Your Attention Reality Is Trying To Take Your Attention Away from What You Want To Put Your Attention and Put It On to Where They Want To Put Your Attention and It's Not Always in Your Best Interest so the Key Is To Work on Learning How To Hold Your Attention Your Attention Is Extremely Valuable Your Attention Is What's Going To Allow You To Focus on Your Vision

Learning How To Hold Your Attention Your Attention Is Extremely Valuable Your Attention Is What's Going To Allow You To Focus on Your Vision and Impress that upon the Formless Stuff Your Attention Is Going To Allow You To See When the Opportunities Present Themselves Your Attention Is Going To Get You To Act in a Way Where You Don't Feel Afraid and Move Forward and Be Bold in Your Actions and Confident so It's Definitely Worth Building Your Attention Improving Your Ability To Focus Your Willingness or I Love Meditation the Very Best Thing You Can Do for the Whole World Is To Make the

Most of Yourself

You're Not To Overwork in Order To Rush Blindly into Your Business in the Effort To Do the Greatest Possible Number of Things in the Shortest Period of Time You're Not To Try To Do Tomorrow's Work Today nor To Do a Week's Worth in a Day It Is Really Not the Number of Things You Do but the Efficiency of each Separate Action That Counts and React in Itself either a Success or a Failure every Act Is in Itself either Effective or Ineffective every Ineffective Act Is a Failure and if You Spend Your Life in Doing Inefficient Acts Your Whole Life Will Be a Failure so It's Worth Reflecting upon the Actions You Take and the Results Everything Is Cause and Effect Do every Day all That You Can Do on that Day and Do It in an Effective Manner Efficient Manner That's What He Talks about Efficient Acts and Very Broad Explanation There's Plenty of Books To Get Granular on It

If You Can Give Increase of Life to Others and Make Them Sensible of the Fact They Will Be Attracted to You and You Will Get Rich Do Not Wait for an Opportunity To Be all That You Want To Be When the Opportunity To Be More than You Are Now Is Presented and You Feel Impelled to It Keyword Impelled to It Take It It Will Be the First Step towards a Greater Opportunity There Is no Such Thing Possible in the Universe as a Lack of Opportunities for the Man Who Is Living the Advancing Life if You See Lack of Opportunities To Question Your Ideologies Read this Book a Hundred Times Over and Over and Over Again till Your Brain Accepts this To Be True as Fact and Then You'll Start To See the Opportunities

You Know How Are We Going To Look at It but this Is because the Masses Do Not Think in Act in a Certain Way in Other Words Combine Collective Reality Is a Result of Combined Collective Thinking so this Is a Very Different Way of Thinking that We're Talking about Right Here and that's Covered in this Book Especially When I Say Things like Remove All the Other Ideologies under Your Philosophy I'm Not Saying the Ignorant Are Indifferent I'm Saying Set Yourself Up Well You've Got a Good Base in Your and Then Start Exploring some Alternative Thinking's Now One of Things That I Do because I've Been Working to Myself the Years Is I like Listening to People Who Don't Think the Way I Do They Have Different Ideologies

So Let's Overview these Eight Principles in Summary Reading One More Time so We Have Them in Sequence and Recommend You Read this Book Read It Over and Over Again Number One There Is a Thinking Stuff from Which all Things Are Made in Which in the Original State Permeates Penetrates and Fills the Interspaces of the Universe a Thought in this Substance Produces the Thing That Is Imagined by the Thought Man Can Form these Things in His Thought and by Impressing His Thought upon Formless Substance Can Cause the Thing He Thinks about To Be Created in Order To Do this Man Must Pass from the Competitive to the Creative Mind Otherwise He CanNot Be in Harmony with the Formless Intelligence

Man Can Remain upon the Creative Plane Only by Uniting Himself with the Formless Intelligence through a Deep and Continuous Feeling of Gratitude Man Must Form a Clear and Different Definite Mental Image of the Things He Wishes To Have To Do or To Become He Must Hold this Mental Image in His Thoughts while Being Deeply Grateful to the Supreme

Man Must Form a Clear and Different Definite Mental Image of the Things He Wishes To Have To Do or To Become He Must Hold this Mental Image in His Thoughts while Being Deeply Grateful to the Supreme and All His Desires Are Granted to Him the Man Who Wishes To Get Rich Must Spend His Leisurely Time or Leisurely Hours and Contemplation of His Vision and in the Earnest Thanksgiving that the Reality Is Being Given to Him Too Much Stress CanNot Be Lead upon the Importance of Frequent Contemplation of the Mental Image Coupled with the Unwavering Faith and Devote Gratitude

He Must Hold this Mental Image in His Thoughts while Being Deeply Grateful to the Supreme and All His Desires Are Granted to Him the Man Who Wishes To Get Rich Must Spend His Leisurely Time or Leisurely Hours and Contemplation of His Vision and in the Earnest Thanksgiving that the Reality Is Being Given to Him Too Much Stress CanNot Be Lead upon the Importance of Frequent Contemplation of the Mental Image Coupled with the Unwavering Faith and Devote Gratitude this Is the Process by Which the Impression Is Given to the Formless

And in the Earnest Thanksgiving that the Reality Is Being Given to Him Too Much Stress CanNot Be Lead upon the Importance of Frequent Contemplation of the Mental Image Coupled with the Unwavering Faith and Devote Gratitude this Is the Process by Which the Impression Is Given to the Formless and the Creative Forces Set in Motion the Creative Energy Works through Established Channels of Natural Growth and of Industrial and Social Order all That Is Included in His Mental Image Will Surely Be Brought to the Man Who Follows the Instructions Given above and Whose Faith Does Not Waver Whose Faith Does Not Waver I'd Say Twice What He Wants Will Come to Him through the Ways of Established Trade

What He Wants Will Come to Him through the Ways of Established Trade and Commerce in Order To Receive His Own When He Shall Come to Him When It Shall Come to Him Man Must Be Active and this Activity Can Only Consist in More than Filling His Present Space Doing What You Have with What You Can Right Now the Best You Can You Must Keep in Mind the Purpose To Get Rich through the Realization of His Mental Image and You Must Do every Day all That It Can Be Done that Day Taking Care To Do each Act in a Successful Manner You Must Give to every Man a Use Value in Excess of the Cash Value He Receives
