A Check List of Rhode Island Nesting Birds

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A Check List of Rhode Island Nesting Birds

Covers nest of bird species of all 26 states east of the Mississippi.

Eastern Birds' Nests

The only comprehensive guide to the natural histories and habitats of all inland New England species

Annual Report

American national trade bibliography.

Catalogue of Copyright Entries: Books, Dramatic Compositions, Maps and Charts

Vols. 5-28 include its educational leaflets.

Check-list of the Birds of Rhode Island

Includes lists of members.

The Auk

Updates the bible of New York State ornithology, John Bull's 1974 Birds of New York State. The species accounts, contributed by 60-plus individual birders, include information on range, abundance, breeding,

occurrence, and remarks about subspecies and records from neighboring states. Several prefatory essays cover New York's physical environment, the role of the Federation of New York State Bird Clubs in conservation efforts, and long-term changes in the birdlife of New York State. Includes some bandw drawings, but not for every bird listed, as well as four color maps. Indexed by scientific and English bird names. Annotation copyrighted by Book News, Inc., Portland, OR
