

Elites Coercion And Collective Goods A Rational Choice Explanation Of Variations In Violence In Ea

[#elites coercion](#) [#collective goods](#) [#rational choice theory](#) [#violence East Asia](#) [#conflict explanation](#)

This study offers a comprehensive rational choice explanation for the observed variations in violence across East Asia, focusing on the critical roles of elite coercion and the strategic provision of collective goods. It delves into the complex interplay between political power, resource distribution, and the manifestation of conflict within the region.
