La plupart des experts s'accordent à dire que la meilleure façon d'apprendre une langue est de lire. - Profitez de ce livre depuis une liseuse ou aussi sur votre mobile ou votre tablette et vos déplacements dans le métro ne seront plus jamais ennuyeux. Mots clés : livre, ebook, bilingue, version originale, traduction, langue, elearning, éducation, apprendre, pratiquer, lire, immersion.

Atti del IV Congresso internazionale degli orientalisti

This annotated bibliography of one of the best-known Catalan authors selects and comments on 198 critical narrative works, including nine biographical studies. It provides a detailed analysis of the critical perspectives which have been used to analyze Rodoreda's works, referring the reader to the bibliographical entries which best illustrate certain theoretical approaches or themes.

Proceedings

Chapters offer new understandings of how ranked societies emerged and developed in prehistoric southern Central America and northern South America (the "Isthmo-Colombian Area"). The emphasis is on integrating the results of studies of social units at a range of different scales from the household to the local community to the region and beyond. Complete text in English and Spanish.

The Publishers' Trade List Annual

Aquesta primorosa col·lecció de contes és un dels clàssics de la literatura mundial. En ella es recullen tradicions de la Xina, de l'Índia i, per descomptat, del món àrab, que serveix de marc a la història principal i proporciona els elements exòtics i màgics que fan que aquest llibre haja sigut un dels preferits dels joves de totes les èpoques: genis, catifes voladores, tresors.... Sherezade, casada amb un príncep que odia les dones i s'ha proposat matar a totes les seues esposes, li conta una història cada nit i la deixa inconclusa, per a mantindre el seu interès i que la condemna es vaja postposant. D'aquesta manera es narren més de 73 relats que contenen altres contes dins dels mateixos, com les caixes xineses i en els quals trobem personatges coneguts, com Alad o Alí Babá. I aquests contes són una veritable font d'imaginació, poesia i bellesa amb la qual gaudir de ple la literatura.

The Edinburgh Review

Published 1882-98, this ten-part work by Harvard's first professor of English became an essential resource for scholars and folklorists.

Catalogue of the Library of the Boston Athenæum

In 13th-century Toledo, King Alfonso the Wise fostered the publication of Castilian translations of certain Arabic works that had in turn been translated from Greek and Pehlvi. In this book, which is the revised English version of the Spanish original published under the title of *Modelos griegos de la sabiduría castellana y europea*, the author studies four of these Castilian translations - the *Libro de los Buenos Proverbios*, *Poridad de las Poridades* or *Secreto de secretos*, *Bocados de Oro* and *Historia de la Donzella Teodor* - works of sapiential literature that had an enormous influence in all of Europe. Their Arabic models had been translated from Greek in Bagdad at the instigation of the great caliphs of the 9th century and also in the Fatimid court at Cairo in the 11th century. The traditional view is that this literature is simply of oriental origin, but the author believes that the models were Greek Byzantine works discovered by the Arabs in Syria and Egypt in the 7th and 8th centuries. Their true origin is to be found in the Greek sapiential literature that developed around the figures of Socrates, Plato, Aristotle and Alexander in the Hellenistic, Roman and Byzantine schools of philosophy; its influence can frequently be found reflected in authors of Christian literature. A detailed study of themes, vocabulary and expressions in the works themselves confirms these origins.

PUBBLICAZIONE A CARATTERE SCIENTIFICO. STORIOGRAFIA SCIENTIFICA Volume VI (Italiano/Inglese) parte III

Catalogue of the Library of the Boston Athenaeum

Reprint of the original, first published in 1898.

Catalogue of the Library of the Boston Athenaeum

Presents basic concepts in physics, covering topics such as kinematics, Newton's laws of motion, gravitation, fluids, sound, heat, thermodynamics, magnetism, nuclear physics, and more, examples, practice questions and problems.

Conte de Noël

Recent political developments in Spain regarding Catalonia have prompted scholars from several disciplines to research the singularity of this region and of the territories of the old Crown of Aragon. Against the backdrop of the pro-independence movement, those in favor and against have insisted on the particularity or commonality of Catalonia and the *Països Catalans* (Catalan-speaking areas) within the Spanish State. From the Catalan point of view, their singularity is not sufficiently recognized, and respect for their institutions and their autonomy is at stake to the point that many prefer to secede from Spain. Singularity or its absence play a relevant role in the construction of identity, which seems to be key in understanding many Catalans' attitudes towards the central government, a fluid concept that allows for a variety of interpretations. *History of Catalonia and Its Implications for Contemporary Nationalism and Cultural Conflict* is a critical reference book that centers around the topic of Catalan cultural and linguistic identity. With input from renowned scholars in several fields, the chapters explore the issue of Catalan identity from a variety of perspectives. While highlighting the legal and historical component to identity and also sociolinguistics and political linguistics, this book is ideally intended for scholars in the fields of Hispanic studies, history, linguistics, political science, and literary studies as well as practitioners, stakeholders, researchers, academicians, and students interested in contemporary politics and the political developments in Spain regarding Catalonia.

Catalogue on the Very Extensive and Valuable Library of the Late Reverend Dr. Wellesley

Description des contes de Mirbeau Il est clair que le romancier n'accordait que peu d'importance à une besogne qui, à ses yeux, était avant tout alimentaire. En effet, le conte joue alors un rôle de premier plan dans la grande presse et il est, avec la chronique, un genre fort prisé du public, qui permet à la plupart des écrivains de gagner leur vie beaucoup plus sûrement que par la publication de leurs livres. Pour les quotidiens, il est une manière de fidéliser leurs lecteurs en leur offrant un espace ludique et en leur apportant une dose modérée d'émotion ou de gaieté. Mirbeau y voit aussi une occasion

précieuse de faire ses gammes en y traitant des sujets et en y brossant des personnages et des décors auxquels il entend donner des développements dans ses œuvres romanesques. Mais, pour lui, il n'est pas question pour autant de réduire ses récits de presse à de vulgaires divertissements, et il entreprend de subvertir le genre : au lieu de rassurer et d'entretenir le misonéisme et la bonne conscience de ses lecteurs bourgeois, il va les inquiéter et les obliger à « regarder Méduse en face ». L'humour grinçant et l'horreur qu'il affectionne n'ont rien de gratuit et servent au contraire à perturber le confort moral et intellectuel du lectorat pour le contraindre à réagir : tout vaut mieux que cette indifférence des troupes que l'on mène à l'abattoir... ou aux urnes. Les thèmes abordés suscitent un choc pédagogique : le tragique de l'humaine condition et « l'horreur d'être un homme » ; la souffrance consubstantielle à l'existence ; le sadisme, les impulsions homicides et la loi du meurtre sur laquelle reposent les sociétés ; l'incommunicabilité et la guerre entre les sexes ; et la dérisoire existence larvaire d'êtres humains déshumanisés par une société oppressive et aliénante. Avant *Le Jardin des supplices*, Mirbeau y dresse l'inventaire des infamies humaines et de l'universelle souffrance : « L'homme se traîne pantelant, de tortures en supplices, du néant de la vie au néant de la mort » Les contes de Mirbeau, farcis d'allusions polémiques à l'actualité, sont le complément de ses chroniques journalistiques. Il s'y livre à une contestation radicale de toutes les institutions et y attaque toutes les formes du mal social de la fin du siècle : le cléricalisme qui empoisonne les âmes, le nationalisme qui pousse au crime, le revanchisme fauteur de guerre, l'antisémitisme homicide, le colonialisme génocidaire, le cynisme des politiciens qui arnaquent les électeurs, le sadisme des « âmes de guerre », la misère des prolétaires des villes et des campagnes, la prostitution, l'exploitation des pauvres et l'exclusion sociale. Loin de n'être qu'un inoffensif dérivatif, les contes cruels de Mirbeau constituent une véritable entreprise de démystification.

Mercè Rodoreda

Multiscalar Approaches to Studying Social Organization and Change in the Isthmo-Colombian Area

13 to Life

Everything about Jessie Gillmansen's life changed when her mother died. Now even her hometown of Junction is changing. Mysterious dark things are happening. All Jessie wants is to avoid more change. But showing a hot new guy around Junction High, she's about to discover a whole new type of change. Pietr Rusakova is more than good looks and a fascinating accent—he's a guy with a dangerous secret. And his very existence is sure to bring big trouble to Jessie's small town. It seems change is the one thing Jessie can't avoid...

Secrets and Shadows

Nothing's simple when you run with werewolves. Jess Gillmansen thinks she's seen it all but her eyes are about to be opened to even more danger and a reality far more paranormal than she's suspected. With Jess's realization that the Rusakovas' mother is still alive and imprisoned, the group's choices become harder and trust more important. Lines are drawn and relationships change as the broken Rusakova family struggles to reunite long enough to free their mother and people who Jess always just took to be normal people show themselves to be much, much more.

Rivals and Retribution

A rival wolf pack puts more pressure on the Rusakova family by making a bold move against Jessie in hopes of pushing Pietr beyond the cure. Realizing the impact of Pietr's change, Alexi rushes to find a permanent solution to the life sentence lycanthropy brings in hopes of also remedying an unexpected side-effect that may finally destroy the relationship between Pietr and Jessie. Unsatisfied with his role in the pack, Gabriel is determined to be rid of Pietr permanently. Meanwhile, at Junction High, the company's meddling with the school food may have stopped but it doesn't mean things have gotten easier—it is still high school. With the enrollment of the rest of the pack's pups, new bonds are made and tested. But Dmitri's influence is far-reaching and even pacifist Gareth must make a dark decision or risk the destruction of everything he holds dear.

Destiny and Deception

With the threat of the Russian mafia seemingly gone, Jessica and the Rusakuvas fight to overcome one of their biggest challenges yet--the possibility of a cure for lycanthropy.

Bargains and Betrayals

Locked away at Pecan Place, Jessie finds her situation to be even more dangerous than she feared. While she struggles to maintain her sanity and discover answers about the group that seems less and less like any legitimate government agency, Pietr fights to keep their relationship alive. But very aware that his mother's time is running out, Pietr makes a deal he doesn't dare tell Jessie about. Because the deal Pietr's made could mean the death of far more than his tenuous relationship with the girl he loves.

Spirited

A collection of thirteen short stories about the paranormal.

Rain of the Ghosts

Rain of the Ghosts is the first in Greg Weisman's series about an adventurous young girl, Rain Cacique, who discovers she has a mystery to solve, a mission to complete and, oh, yes, the ability to see ghosts. Welcome to the Prospero Keys (or as the locals call them: the Ghost Keys), a beautiful chain of tropical islands on the edge of the Bermuda Triangle. Rain Cacique is water-skiing with her two best friends Charlie and Miranda when Rain sees her father waiting for her at the dock. Sebastian Bohique, her maternal grandfather, has passed away. He was the only person who ever made Rain feel special. The only one who believed she could do something important with her life. The only thing she has left to remember him by is the armband he used to wear: two gold snakes intertwined, clasping each other's tails in their mouths. Only the armband . . . and the gift it brings: Rain can see dead people. Starting with the Dark Man: a ghost determined to reveal the Ghost Keys' hidden world of mystery and mysticism, intrigue and adventure.

Stormbringer

In the intrigue-filled follow up to Weather Witch, Jordan Astraea, once a young Philadelphia lady of good social standing, is now in the final stages of her brutal training to become a Conductor—the Weather Witch who serves as a living battery to keep the massive airliner Artemesia aloft. Meanwhile, Rowen, determined to rescue her after losing his only other true friend and being wanted for murder, has found himself forced aboard a much different air vessel, this one manned by a dangerous crew and carrying a cargo so treasonous, that, if finding its destination, will herald a storm of revolution for the still young United States. With a spirit for adventure, romance, fantastic world building and cunning imagination, Shannon Delany delivers the sensational follow up to Weather Witch in Stormbringer, the second book of the trilogy. “Readers who liked the first novel will enjoy the fleshed-out world.” - Kirkus Reviews

Ward Against Darkness

The last thing Ward de'Ath wants is more trouble. On the run from both the law and the criminal underworld, Ward and Celia flee Brawenal City only to stumble into the mansion of a powerful evil necromancer. And when Ward discovers the man possesses a dangerous grimoire, his duty leaves him no choice. He can't allow the necromancer to keep the grimoire. But the mansion is filled with monsters—human and undead—and Ward has no way of telling who's friend or foe. The only person he can trust is Celia who dominates more of his thoughts and feelings everyday. But there are still laws in the way of anything but friendship. She's still dead and he's still alive... for now. The Chronicles of a Reluctant Necromancer series is best enjoyed in order. Series Order: Book #1 Ward Against Death Book #2 Ward Against Darkness Book #3 Ward Against Disaster Book #4 Ward Against Destruction

Beasts and BFFs

"Beasts and BFFs" is a bonus 13 to Life prequel story from bestselling author Shannon Delany. Meet Jessie Gillmansen as she realizes that things might not be what they seem in the town of Junction. All Jessie wants is to avoid more change ... but she has no idea what's about to come her way.

Two and Twenty Dark Tales

In this anthology, 20 authors explore the dark and hidden meanings behind some of the most beloved Mother Goose nursery rhymes through short story retellings. The dark twists on classic tales range from exploring whether Jack truly fell or if Jill pushed him instead to why Humpty Dumpty, fragile and alone, sat atop so high of a wall. The authors include Nina Berry, Sarwat Chadda, Leigh Fallon, Gretchen McNeil, and Suzanne Young.

Significance

A story by NEW YORK TIMES and USA TODAY bestselling author, Shelly Crane. Maggie is a seventeen year old girl who's had a bad year. Her mom left, her dad is depressed, she's graduating, barely, and her boyfriend of almost three years dumped her for a college football scholarship. Lately she thinks life is all about hanging on by a thread and is gripping tight with everything she has. Then she meets Caleb. She saves his life and instantly knows there's something about him that's intriguing but she is supposed to be on her way to a date with his cousin. But things change when they touch, sparks ignite. Literally. They imprint with each other and she sees their future life together flash before her eyes. She learns that not only is she his soul mate, and can feel his heartbeat in her chest, but there is a whole other world of people with gifts and abilities that she never knew existed. She herself is experiencing supernatural changes unlike anything she's ever felt before and she needs the touch of his skin to survive. Now, not only has her dad come out of his depression to be a father again, and a pain as well, but Caleb's enemies know he's imprinted and are after Maggie to stop them both from gaining their abilities and take her from him. Can Caleb save her or will they be forced to live without each other after just finding one another? Read the epic love story before the TV show!

Once in a Full Moon

Popular seventeen-year-old Celeste finds herself falling in love with a boy from the wrong side of their small, midwestern town, even though she suspects that he is a werewolf.

The Wings of Dragons

From debut fantasy author Josh VanBrakle comes an epic new trilogy of friendship, betrayal, and explosive magic inspired by Japanese mythology. Lodia's history declares lefthanded people dangerous and devil-spawned. For teenager Iren Saitosan, the kingdom's only known Left, that's meant a life of social isolation. To pass the time and get a little attention, he plays pranks on the residents of Haldessa Castle. They're harmless fun, until one of his stunts almost kills Lodia's charismatic heir to the throne. Now to avoid execution for his crime, Iren must join a covert team and assassinate a bandit lord. It's a suicide mission, and Iren's chances aren't helped when he learns that his new katana contains a dragon's spirit, one with a magic so powerful it can sink continents and transform Iren into a raging beast. Adding to his problems, someone on Iren's team is plotting treason. When a former ally launches a brutal plan to avenge the Lefts, a vengeance one thousand years in the making, Iren finds himself trapped between competing loyalties. He needs to figure out who - and how - to trust, and the fates of two nations depend on his choice. "A fast-paced adventure...led by a compelling cast of characters. Josh VanBrakle keeps the mysteries going." - ForeWord Reviews

Handbook of Models for Human Aging

The Handbook of Models for Human Aging is designed as the only comprehensive work available that covers the diversity of aging models currently available. For each animal model, it presents key aspects of biology, nutrition, factors affecting life span, methods of age determination, use in research, and disadvantages/advantages of use. Chapters on comparative models take a broad sweep of age-related diseases, from Alzheimer's to joint disease, cataracts, cancer, and obesity. In addition, there is an historical overview and discussion of model availability, key methods, and ethical issues. Utilizes a multidisciplinary approach Shows tricks and approaches not available in primary publications First volume of its kind to combine both methods of study for human aging and animal models Over 200 illustrations

Dark Destiny

The thrilling 13th book in #1 New York Times bestselling author Christine Feehan's paranormal Carpathian/Dark series. They were masters of the darkness, searching through eternity for a mistress of the light . . . Destiny's childhood had been a nightmare of violence and pain until she heard his voice

calling out to her. Golden and seductive. The voice of an angel. Nicolae had shown her how to survive, taught her to use her unique gifts, trained her in the ancient art of hunting the vampire. Yet he could not bend her to his will. He could not summon her to him, no matter how great his power. As she battled centuries-old evil in a glittering labyrinth of caverns and crystals, he whispered in her mind, forging an unbreakable bond of trust and need. Only with him can she find the courage to embrace the seductive promise of her. . . Dark Destiny.

The Shannon Scheme

This collection of scholarly essays provides a background to the figures involved in the Shannon Scheme and gives a detailed historical assessment of the scheme, which transformed the east Clare landscape.

Inventing the Future

A major new manifesto for the end of capitalism Neoliberalism isn't working. Austerity is forcing millions into poverty and many more into precarious work, while the left remains trapped in stagnant political practices that offer no respite. Inventing the Future is a bold new manifesto for life after capitalism. Against the confused understanding of our high-tech world by both the right and the left, this book claims that the emancipatory and future-oriented possibilities of our society can be reclaimed. Instead of running from a complex future, Nick Srnicek and Alex Williams demand a postcapitalist economy capable of advancing standards, liberating humanity from work and developing technologies that expand our freedoms. This new edition includes a new chapter where they respond to their various critics.

Everything I Was

Thirteen-year-old Irene helps in her grandfather's plant nursery, makes new friends, and begins to learn what she really wants and needs after her father, having lost his job as an investment banker, moves her and her mother to his father's farmhouse upstate.

High Tension

High Tension lends an entirely different dimension to the history of the great hydro-electric Shannon Scheme of 1925-1929. Hitherto the story has been told from an engineering viewpoint. Now historian Michael McCarthy brings new perspectives to bear on the Irish Free State's most audacious construction project at Ardnacrusha. How did the German and Irish workforces get on? What was life like for the 5000-odd navvies and their families, many of them living in barns and pigsties along the nine-mile stretch of the 'Irish Klondyke'? How did the local farmers and householders in Clare and Limerick cope with the massive explosions and disruptions? How did those who lost homes, lands, livelihoods and loved ones (53 died and hundreds were injured during construction) cope with the trauma and hardship? The guns of the Civil War were scarcely silenced when the Irish government embarked on this huge undertaking, with vision and scarce resources. High Tension details the interdepartmental rivalry among civil servants, the struggles with the labour movement and strong-arm tactics of Joe McGrath, the dogfights with vested interest groups and overburdened local services, and the compensation battles that dragged on years after the Scheme opened. On the 75th anniversary of that opening it seems fitting to tell for the first time this fascinating story.

Ulysses

THE ULTIMATE IN GIRL POWER! Rachel, Skylar, Caitlin, Beth and Bethany are all eighteen, immortal and can fly. But that is where the similarities end for these five forever teenage girls. They were each chosen before birth and destined to become part of the Immortal Girls, put together by their immortal parents, Isabelle and Alistair, to save humanity from itself when needed. Their story takes you from 1000 AD all the way to present day New York, where the chosen five girls come together slowly through the centuries to form the strongest bond the earth has ever known. Suddenly, they are faced with the biggest threat of their immortal lives. It comes in the form of a secretive scientific research company called Forever Genetics and its brilliant, but unstable CEO, Christian Gruber. Using escaped prisoners that his company set up, he is planning on building an immortal army and taking out the Immortal Girls once and for all. Being immortal is not forever, neither is survival...

Immortal Girl5

Curiosity often leads to trouble... Thirteen enthralling voices in young adult fiction lead you down the rabbit hole in this nod to the 150th anniversary of Lewis Carroll's timeless character, ALICE. Mystery. Madness. Mayhem. Each story in this collection will intrigue, bewitch, and enchant. From rich historicals, castle towers and deathly plagues, gritty urban explorations, intrepid reporters, would-be car thieves, watchmakers, wormholes, and secret workshops, to the last human in a world ruled by machines. What wonders await, oh curious reader? The white rabbit knows the truth.

Beware the Little White Rabbit

Like everyone born after The Shift, sixteen year-old Aura can see and talk to ghosts. Persistent, and often angry, some even on the verge of becoming Shades, these violet-hued spirits are constantly talking to her, following her, and demanding her help to make amends for their untimely deaths. Aura has always found this mysterious ability annoying and wished she could find a way to reverse it. She'd much rather the ghosts left her alone so she could spend time with her boyfriend, Logan. But when Logan dies suddenly and unexpectedly, Aura is forced to reconsider her connections with the dead... and, the living. Surely a violet-hued spirit Logan is better than no Logan at all, isn't it? And things are complicated further when new exchange student, Zachary, is paired with Aura for a class project researching the 'Shift phenomenon'. Zach is so understanding - and so very alive. His support and friendship means more to Aura than she cares to admit. And, as Aura's relationships with both the dead, and the living, become more complicated, so do her feelings for both Logon and Zach. Each holds a piece of her heart... and clues to the secret of the shift.

Shade

Grace Divine, daughter of the local pastor, always knew something terrible happened the night Daniel Kalbi disappeared—the night she found her brother Jude collapsed on the porch, covered in his own blood—but she has no idea what a truly monstrous secret that night held. The memories her family has tried to bury resurface when Daniel returns, three years later, and enrolls in Grace and Jude's high school. Despite promising Jude she'll stay away, Grace cannot deny her attraction to Daniel's shocking artistic abilities, his way of getting her to look at the world from new angles, and the strange, hungry glint in his eyes. The closer Grace gets to Daniel, the more she jeopardizes her life, as her actions stir resentment in Jude and drive him to embrace the ancient evil Daniel unleashed that horrific night. Grace must discover the truth behind the boy's dark secret...and the cure that can save the ones she loves. But she may have to lay down the ultimate sacrifice to do it—her soul.

The Dark Divine

Offers the true-life story of Helen Delaney Martini, a woman who reared baby Bengal tigers, as well as other exotic animals, in her small Bronx apartment with the assistance of her zoo keeper husband.

Mother to Tigers

For hundreds of years, the vampire Balthazar has been alone—without allies, without love. When Balthazar agrees to help Skye Tierney, a human girl who once attended Evernight Academy, he has no idea how dangerous it will be. Skye's newfound psychic powers have caught the attention of Redgrave, the cruel, seductive master vampire responsible for murdering Balthazar and his family four centuries ago. Now Redgrave plans to use Skye's powers for his own evil purposes. Balthazar will do whatever it takes to stop Redgrave and exact his long-awaited revenge against his killer. As Skye and Balthazar stand together to fight him, they grow closer—first unwillingly, then undeniably. Balthazar realizes his lonely world could finally be changed by her. . . . In a story filled with forbidden love and dark suspense, one of the most beloved characters in Claudia Gray's New York Times bestselling Evernight series will captivate readers with his battle to overcome his past and follow his heart.

Balthazar

"Riveting . . . Readers will quickly warm to [Frank] Delaney's vividly described Ireland of the 1950s, its fully realized inhabitants, and the dynamic political and personal relationships that make for a remarkable story."—Publishers Weekly (starred review) "If we're to live good lives, we have to tell ourselves our own story. In a good way." So says Ben MacCarthy's beloved mentor, and it is this fateful advice that will guide Ben through the tumultuous events of Ireland in 1956. The national mood is

downtrodden; poverty, corruption, and an armed rebellion rattle the countryside; and although Ben wants no part of the insurrection, he unknowingly falls in with an IRA sympathizer. Yet despite his perilous circumstances, all he can think about is finding his former wife and true love, Venetia Kelly, who after many years has returned to Ireland with her brutish new husband, a popular stage performer. Determined not to lose Venetia again, Ben calls upon every bit of his passion and courage to win her back, while finally reconciling his violent past with his hopes for a bright future. Brimming with fascinating Irish history, daring intrigue, and the drama of legendary love, *The Last Storyteller* is an unforgettable novel as richly textured and inspiring as Ireland itself. "A colorful, leisurely tale, with dark moments as well as humor and grace."—*The Star-Ledger* "A magical tale [that] weaves in a jackpot of Irish myths."—*Bookreporter* "Character-rich and dramatic."—*Library Journal*

The Last Storyteller

It has: 1 nice girl 2 bad boys 3 tortuous tasks 4 strange ambassadors ?after that, it's hard to keep count. Dozens of elves, hundreds of goblins, legions of demons ? all converging on the colourless world ruled by the goblin king. Can Robby and Chris discover the goblin king's name and rescue Stephen before time runs out? The goblin king's eyes narrowed into almond slits. ?No, it's not Rumpelstiltskin.' He drew himself up and scowled. ?Why does everyone say that? A starlit fantasy for young adults, blended with science fiction and written in numerical literary style, *Many-Coloured Realm* falls somewhere in between those fabulous Lewises: Lewis Carroll and CS Lewis. Expect the unexpected!

Many-coloured Realm

In my motorcycle club I've earned the name 'Reaper' and now I have my claim on Abby Harrison. Reaper: I didn't know what love was, but I knew what want was, and I wanted Abby. When I walked out of the club and saw her I was stone cold sober. She was quietly beautiful and unlike any other woman I'd had before. But she was the daughter of the president of Satan's Sons MC and completely out of my reach. Abby: Everyone knew The Reaper and how he got his name, so I never expected him to be my salvation when my sister's drunk boyfriend wanted to lay hands on me. I thought my innocence would be lost in that alley, until he showed up and saved me. I know being with Reaper will lead to trouble, but I don't know if I have the strength to stay away. Being together might be dangerous, but outlaws are meant to break the rules. "Reaper can claim me anytime. This book was completely addicting, the combination of love and danger was smoking hot. Book me a room at Satan's Sons Clubhouse!" - Felicia T "The story plot is perfection and if you love bad boys then your sure to love Reaper (Kade). Kade and Abby's story is a must read for action, drama, and a love story. WARNING: this book can give you major feels!! " - Kati C.

Reaper's Claim

San Francisco is the endgame of gentrification, where racialized displacement means that the Black population of the city hovers at just over 3 percent. The Robeson Justice Academy opened to serve the few remaining low-income neighborhoods of the city, with the mission of offering liberatory, social justice--themed education to youth of color. While it features a progressive curriculum including Frantz Fanon and Audre Lorde, the majority Latinx school also has the district's highest suspension rates for Black students. In *Progressive Dystopia* Savannah Shange explores the potential for reconciling the school's marginalization of Black students with its sincere pursuit of multiracial uplift and solidarity. Drawing on ethnographic fieldwork and six years of experience teaching at the school, Shange outlines how the school fails its students and the community because it operates within a space predicated on antiblackness. Seeing San Francisco as a social laboratory for how Black communities survive the end of their worlds, Shange argues for abolition over revolution or progressive reform as the needed path toward Black freedom.

Progressive Dystopia

Rob Delaney is a father, a husband, a comedian, a writer. He is the author of an endless stream of beautiful, insane jokes on Twitter. He is sober. He is sometimes brave. He speaks French. He has bungee-jumped off the Manhattan Bridge. He enjoys antagonizing political figures, powerful retailers and the Kardashians. He listens to metal while he works out. He broke into an abandoned mental hospital with his mother. He played Sir Lancelot in Camelot. He has battled depression. He is funny as s***. He cleans up well. He and Margaret Atwood have a thing going on Twitter. He is lucky to be alive.

Rob Delaney

Thirty-five beautiful girls. Thirty-five beautiful rivals...

The Selection (The Selection, Book 1)

Two years ago Brenna did the unthinkable. She witnessed the aftermath of a murder and accused her only true friend the first boy she ever loved of being a killer. Now sixteen, Brenna returns to Oklahoma only to discover that Isaac 'White Bird' Henry isn't in juvie. The half-breed outcast is in a mental hospital, frozen in time, locked in his mind at the worst moment of his life. When Brenna touches him, she's pulled into his hellish vision quest, seeing terrifying demons and illusions she doesn't understand. Feeling isolated and alone, Brenna's up against the whole town: targeted by bullying former classmates, a bigoted small town sheriff and a tribe who refuses to help one of their own. But when Brenna realises she's as trapped by the past as White Bird is, this time she won't turn her back on him. She's the only one who can free them both. Even if she has to expose her secret a 'gift' she's kept hidden her whole life.

In The Arms Of Stone Angels

A Missing Ferryman. An Undead Dilemma. An Immortal Detective. An emissary from the Dark Council has just materialized in the office of the Montague & Strong Detective Agency, and makes Simon Strong an offer he can't refuse. Charon is missing. The legendary ferryman responsible for transporting souls across the river Styx hasn't been seen in days. And with each passing hour, those unable to cross the river are left to walk among the living, tilting the world further out of balance. Meet Simon Strong, an immortal, who is also the best private detective in New York City. Together with his surly partner-Tristan Montague, a mage of indeterminate age, they must find the Ferryman and get him back to work before another Supernatural War ravages the earth, destroys humanity, and Simon's local coffee shop. Time is running out. His landlord wants the rent and Karma with a capital K is paying him a visit, and she can be a real... Join the Montague & Strong Detective Agency and help them locate Charon, so he can restore balance to the universe, put the dead to rest, and maybe solve the age-old conundrum-coffee or tea?

Tombyards and Butterflies-

Each body has a story to tell, a life seen in pictures only Librarians can read. The dead are called Histories, and the vast realm in which they rest is the Archive. Last summer, Mackenzie Bishop, a Keeper tasked with stopping violent Histories from escaping the Archive, almost lost her life to one. Now, as she starts her junior year at Hyde School, she's struggling to get her life back. But moving on isn't easy, not when her dreams are haunted by what happened. She knows the past is past, knows it cannot hurt her, but it feels so real. When her nightmares begin to creep into her waking hours, she starts to wonder if she's truly safe. Meanwhile, people are vanishing without a trace, and the only thing they seem to have in common is Mackenzie. She's sure the Archive knows more than they are letting on, but before she can prove it, she becomes the prime suspect. Unless Mac can track down the real culprit, she'll lose everything: not only her role as Keeper, but her memories – and even her life. Can Mackenzie untangle the mystery before she herself unravels?

The Unbound

USA Today Bestselling author Shannon Mayer introduces two of her most beloved characters in this first in both series novella. This story takes place prior to The Rylee Adamson Novels and The Elemental Series and introduces you to both Rylee and Larkspur. "My Name is Rylee, and I am a Tracker" This is the story of my first salvage, seeking out a missing child that my mentor has warned me away from. What I find is more than one child: I find my destiny. "My name is Larkspur, and I am an Elemental." They call me The Destroyer. I've been banished to the desert for years after saving a life I should have let the darkness take. But as an earth elemental, I couldn't turn from the pleas for help any more than I can turn from them this time. Except that this time, I have a Tracker to deal with. This is about to get interesting. **30K Word Standalone Novella** Read more Rylee in "The Rylee Adamson Novels" Priceless (Rylee Adamson Book 1) Immune (Rylee Adamson Book 2) Raising Innocence (Rylee Adamson Book 3) Shadowed Threads (Rylee Adamson Book 4) Blind Salvage (Rylee Adamson Book 5) Tracker (Rylee Adamson Book 6) Veiled Threat (Rylee Adamson Book 7) Wounded (Rylee Adamson Book 8) Rising Darkness (Rylee Adamson Book 9) Blood of the Lost (Rylee Adamson Book 10) Alex (A

Elementally Priceless

"What a fantastic fantasy series! I love a strong female lead and we were delivered that in spades with Larkspur . . . This story is fast paced and exciting right from the start. I can't wait to see what comes next!"-Boundless Book ReviewsFrom HiJinks Ink Publishing and Shannon Mayer comes ROOTBOUND (Book 5) in The USA Today Bestselling ELEMENTAL SERIES. With over 1 million books sold, Shannon Mayer proves once again she can dominate her genre right out of the gate."My name is Larkspur, and I am an Elemental."My people use the power of the earth to sustain life and defy our enemies. I am the half-breed bastard child of a king. I was not meant to survive the trials cast my way. Yet, here I stand. The world has deteriorated in the twenty years I was imprisoned in an oubliette. The Elemental families are rife with deception, violence, and madness more than ever before. A voice I know all too well calls me to do her bidding. A voice I no longer wish to hear. The mother goddess begs me to save the four families, and stop my nemesis from breaking the world. To do it, I must face each of the Elemental leaders and take from them the over addictive power they hold closely: the stones I once handed them in friendship and trust. Now, the secrets I unearth as I pursue the stones shatter everything I know about my world, my beliefs, and everything I was taught. Yet, I am not the naïve girl I once was. If I am to see this through, I must completely embrace the new reality of my life and all its obstacles while forging ahead. Four stones abused. Four families broken. A half-breed princess as their only hope. Through it all, the one I love waits for me to find him. When I do, will he, like everything else in my world, not be what he once was?

Rootbound

A rescued rogue . . . Scandal has rocked the city of London. Colin Eversea, a handsome, reckless unapologetic rogue is sentenced to hang for murder and, inconveniently for him, the only witness to the crime disappears. Then again, throughout history, the Everseas have always managed to cheat fate in style: Colin is snatched from the gallows by a beautiful, clever mercenary. A captivating captor. . . Cool-headed, daring Madeleine Greenway is immune to Colin's vaunted charm. Her mission is not to rescue Colin but to kidnap him, and to be paid handsomely for it. But when it becomes clear that whoever wants Colin alive wants Madeline dead, the two become uneasy allies in a deadly race for truth. Together, they'll face great danger—and a passion neither can resist.

The Perils of Pleasure

For the beautiful young woman Ash, life has always been arquebuses and artillery, swords and armour and the true horrors of hand-to-hand combat. War is her job. She has fought her way to the command of a mercenary company, and on her unlikely shoulders lies the destiny of a Europe threatened by the depredations of an Infidel army more terrible than any nightmare. Winner of the BSFA Award for best novel, 2000

Epic poem which personifies the European nations as animals in order to contrast the monarchical concept with the republican spirit generated by the French Revolution.

Discovering the Folklore of Birds and Beasts

"Birds and Beasts" by Camille Lemonnier, translated by A. R. Allinson, is a captivating exploration of the natural world. Lemonnier's eloquent prose and Allinson's translation bring to life the beauty and wonder of the animal kingdom. This work invites readers on a journey through the fascinating realms of birds and beasts, offering vivid descriptions and insights into their behavior, habitats, and significance in our world. It is a book that appeals to both nature enthusiasts and those with a keen interest in literary exploration, providing a delightful blend of science and artistry.

Birds and Beasts

Critical analysis of Vergil's life and works.

The Court and Parliament of Beasts

A collection of stories, most less than a page, about animals, drawn from accounts purported to be true, literature, and folktale, mostly European. The introductions to the volume and the chapters (by animal) comprise a scholarly treatise on the folklore and literature of animals. No index. Annotation copyrighted by Book News, Inc., Portland, OR

Birds and Beasts

Did you ever see two friendly dogs meet when one tried to tell the other of something he had discovered, when they touched noses, stood for a moment in strange, silent parley, then wagged their tails with mutual understanding and hurried off together on a canine junket? That was the little comedy which first drew my attention to the matter of animal communication, many years ago, and set my feet in the unblazed trail we are now to follow. And a very woodsy trail you shall find it, dim and solitary, with plenty of "blind" spots where one may easily go astray, and without any promise of what waits at the other end of it. One summer afternoon I was reading by the open window, while my old setter, Don, lay at on his side in the shade of a syringa-bush. He had scooped out a hollow to suit him, and was enjoying the touch of the cool earth when a fat little terrier, a neighbor's pet, came running with evident excitement to wake the old dog up. Don half raised his head, recognized his friend Nip and thumped the ground lazily with his tail. "It's all right, little dog. You're always excited over something of no consequence; but don't bother me this hot day," he said, in dog-talk, and dropped his head to sleep again. But Nip was not to be put aside, having something big on his mind. He nudged Don sharply, and the old dog sprang to his feet as if galvanized. For an interval of perhaps five seconds they stood motionless, tense, their noses almost touching; then Don's plume began to wave. "Oh, I see!" he said; and Nip's stubby tail whipped violently, as if to add, "Thank Heaven you do, at last!" The next moment they were away on the jump and disappeared round a corner of the house. Here was comedy afoot, so I slipped out through the back door to follow it. The dogs took no notice of me, and probably had no notion that they were observed; for I took pains to keep out of sight till the play was over. Through the hay-field they led me, across the pasture lot, and over a wall at the foot of a half-cultivated hillside. Peering through a chink of the wall, I saw Nip dancing and barking at a rock-pile, and between two of the rocks was a woodchuck cornered. For weeks Nip had been laying siege to that same woodchuck, which had a den on the hillside in a patch of red clover, most convenient to some garden truck. A dozen times, to my knowledge, the little dog had rushed the rascal; but as Nip was fat and the chuck cunning, the chase always ended the same way, one comedian diving into the earth with a defiant whistle, leaving the other to scratch or bark impotently outside. Any reasonable dog would soon have tired of such an uneven game; but a terrier is not a reasonable dog. At first Nip tried his best to drag Don into the affair; but the old setter had long since passed the heyday of youth, when any kind of an adventure could interest him. In the presence of grouse or woodcock he would still become splendidly animate, and then the years would slip from him as a garment; but to stupid groundhogs and all such "small deer" he was loftily indifferent. He was an aristocrat, of true-blue blood, and I had trained him to let all creatures save his proper game severely alone. So, after following Nip once and finding nothing more exciting than a hole in the ground, with the familiar smell of woodchuck about it, he had left the terrier to his own amusement.

The Beasts, Birds, and Bees of Virgil

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1919 edition. Excerpt: ... FOR the word chumfo I am indebted to a tribe of savages living near Lake Mweru, in Africa, and am grateful to them not only for naming a thing which has no name in any civilized language, but also for an explanation of its function in the animal economy. We shall come to the definition of the word presently, after we have some clear notion of the thing for which the word stands. As Thomas a Kempis says, if I remember correctly, "It is better to feel compassion than to know how to define it." By way of approach to our subject, let it be understood that chumfo refers in a general way to the animal's extraordinary powers of sense perception, which I would call his "sensibility" had not our novelists bedeviled that good word by making it the symbol of a false or artificial emotionalism. Every wild creature is finely "sensible" in the true meaning of the word, his sensitiveness being due to the fact that there is nothing dead or even asleep in nature; the natural animal or the natural man is from head to foot wholly alive and awake. And this because every atom of him, or every cell, as a biologist might insist, is of itself sentient and has the faculty of perception. Not till you understand that first principle of chumfo will your natural history be more than a dry husk, a thing of books or museums or stuffed skins or Latin names, from which all living interest has departed. I am sometimes asked, "What is the most interesting thing you find in the woods?" the question calling, no doubt, for the name of some bird or beast or animal habit that may challenge our ignorance or stir our wonder. The answer is, that whether you search the wood or the city or the universe, the only interesting thing you will ever find anywhere is the thrill and...

How Animals Talk; and Other Pleasant Studies of Birds and Beast

This Is A New Release Of The Original 1917 Edition.

Peter Parley's Illustrations of the Animal Kingdom

DigiCat Publishing presents to you this special edition of "Concerning Animals and Other Matters" by Edward Hamilton Aitken. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

BIRDS AND BEASTS.

This vintage book looks at the problems that are caused by various birds and, to a lesser extent, other animals in America. It explores the effects these animals have on other animals and plant life, including crops, orchards, gardens, farmland, etc., offering information on how these problems can be dealt with or avoided. This volume is highly recommended for American farmers and is not to be missed by those with an interest in ornithology. Contents include: "The Starling—A Problem", "The Crossbill—An Erratic Bird", "The Squirrel Problem", "The Mind of the Bird", "The Mind of the Insect", "Bluff", "The Real Bird", "Trans-Atlantic Migration", "Bird Marking", "Orientation", "Birds and the Law", "In Hungarian Marshes", "The Puszta", "Up the Danube", "Midsummer", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.
