

A Season In Hell And The Illuminations

[#A Season in Hell](#) [#The Illuminations](#) [#Arthur Rimbaud poetry](#) [#Symbolist literature](#) [#French poetic works](#)

Explore the profound literary landscape of Arthur Rimbaud with his iconic works, 'A Season in Hell' and 'The Illuminations.' These essential pieces of symbolist poetry offer readers an intense journey through personal despair, visionary prose, and the rebellious spirit that defined a generation of French literature.

All textbooks are formatted for easy reading and can be used for both personal and institutional purposes.

The Illuminati Revealed

Illuminati]],{"inlineLinkIcon":{"iconType":"OPEN_IN_NEW"},"source":{"runs":[Encyclopedia Britannica]},"paragraphs":[{"runs":[Illuminati, designation in use from the 15th century, assumed by or applied to various groups of persons who claimed to be unusually enlightened. The word is the plural of the Latin illuminatus. According to adherents, the source of the "light" was viewed as being directly communicated from a higher source or due to a clarified and exalted condition of the human intelligence. To the former class belong the Alumbrados (Spanish: "enlightened") of Spain. Spanish historian Marcelino Menéndez y Pelayo first finds the name about 1492 (in the form aluminados, 1498) but traces them back to a gnostic origin and thinks their views were promoted in Spain through influences from Italy. One of their earliest leaders—indeed, some scholars style her as a "pre-Alumbrado"—was María de Santo Domingo, who came to be known as La Beata de Piedrahita. She was a labourer's daughter, born in Aldeanueva, south of Salamanca, around 1485. She joined the Dominican order as a teenager and soon achieved renown as a prophet and mystic who could converse directly with Jesus Christ and the Virgin. Ferdinand of Aragon invited her to his court, and he became convinced of the sincerity of her visions. The Dominicans appealed to Pope Julius II for guidance, and a series of trials were convened under the auspices of the Inquisition. Her patrons, which by then included not only Ferdinand but also Francisco Cardenal Jiménez de Cisneros and the duke of Alba, ensured that no decision was taken against her, and she was cleared in 1510."}}]],{"thumbnail":{"thumbnails":[{"url":"https://www.gstatic.com/youtube/img/information_pan-

Illuminati]],{"inlineLinkIcon":{"iconType":"OPEN_IN_NEW"},"source":{"runs":[Encyclopedia Britannica]},"paragraphs":{"runs":[Illuminati, designation in use from the 15th century, assumed by

or applied to various groups of persons who claimed to be unusually enlightened. The word is the plural of the Latin illuminatus. According to adherents, the source of the “light” was viewed as being directly communicated from a higher source or due to a clarified and exalted condition of the human intelligence. To the former class belong the Alumbrados (Spanish: “enlightened”) of Spain. Spanish historian Marcelino Menéndez y Pelayo first finds the name about 1492 (in the form aluminados, 1498) but traces them back to a gnostic origin and thinks their views were promoted in Spain through influences from Italy. One of their earliest leaders—indeed, some scholars style her as a “pre-Alumbrado”—was María de Santo Domingo, who came to be known as La Beata de Piedrahita. She was a labourer’s daughter, born in Aldeanueva, south of Salamanca, around 1485. She joined the Dominican order as a teenager and soon achieved renown as a prophet and mystic who could converse directly with Jesus Christ and the Virgin. Ferdinand of Aragon invited her to his court, and he became convinced of the sincerity of her visions. The Dominicans appealed to Pope Julius II for guidance, and a series of trials were convened under the auspices of the Inquisition. Her patrons, which by then included not only Ferdinand but also Francisco Cardenal Jiménez de Cisneros and the duke of Alba, ensured that no decision was taken against her, and she was cleared in 1510.”}}}, "thumbnail": {"thumbnails": [{"url": "https://www.gstatic.com/youtube/img/information_panels/Illuminati-EB.png", "width": 90, "height": 90}], "sourceEndpoint": {"clickTrackingParams": "CLcFEMChAiITCKDQuKGH_oQDFXfASQcdzOIMJA==", "commandMetadata": {"webCommandMetadata": {"url": "https://www.britannica.com/topic/illuminati-designation", "webPageType": "WEB_PAGE_TYPE_UNKNOWN", "rootVe": 83769}}, "urlEndpoint": {"url": "https://www.britannica.com/topic/illuminati-designation", "target": "TARGET_NEW_WINDOW"}}, "truncateParagraphs": true, "trackingParams": "CLcFEMChAiITCKDQuKGH_oQDFXfASQcdzOIMJA==", "background": "INFO_PANEL_CONTENT_BACKGROUND_BLUE", "paragraphMaxLines": 3, "loggingDirectives": {"trackingParams": "CLcFEMChAiITCKDQuKGH_oQDFXfASQcdzOIMJA==", "visibility": {"types": "12"}, "gestures": {"types": "4"}, "enableDisplayloggerExperiment": true}}, "trackingParams": "CLYFEO3NBRgAlhMloNC4oYf-hAMVd8BJBx3M4gwk", "background": "INFO_PANEL_CONTAINER_BACKGROUND_BLUE"}}, {"videoRenderer": {"videoid": "q6GZS12uFXs", "thumbnail": {"thumbnails": [{"url": "https://i.ytimg.com/vi/q6GZS12uFXs/hq720.jpg?sqp=-oaymwEjCOgCE-MoBSFryq4qpAxUIARUAAAAGAEIAADIQj0AgKJDeAE=&rs=AOn4CLB-pmvE0xXFAwXZSiu-folkjKoP1wA", "width": 360, "height": 202}], "url": "https://i.ytimg.com/vi/q6GZS12uFXs/hq720.jpg?sqp=-oaymwEjCNAFEJQDSFryq4qpAwkIARUAAIhCGAE=&rs=AOn4CLAZXeZunUr7lrB2058N0CEEpnu-Mag", "width": 720, "height": 404}}},
