

The Invention Of The Eyewitness

[#eyewitness history](#) [#origin of eyewitness testimony](#) [#development of witness accounts](#) [#judicial evidence history](#) [#role of witnesses in law](#)

Explore the fascinating journey of how the concept of the eyewitness transformed from ancient observations to a cornerstone of modern justice. This article delves into the historical evolution of witness accounts, examining how societies came to rely on personal testimony, the challenges of its reliability, and its profound impact on legal systems worldwide. Uncover the 'invention' of this critical human element in understanding truth and administering law.

Every thesis includes proper citations and complete academic structure.
