This is My Story, this is My Song

Here is the revised, expanded, and updated edition for the 25th anniversary year. Its message of biblical authority is even more relevant today. This anniversary edition is an even more powerful, eye-opening book for the church! Ken Ham once again takes the lead in pointing out the looming precipice that thousands of church leaders are rushing toward; a denial of the full authority and accuracy of the Bible from its very first verse. Originally published in 1987, *The Lie* took a bold stand which became prophetic. Ken warned the church about the destructive effects of compromise with evolutionary/millions-of-years ideas. He warned that compromise in Genesis would undermine Scriptural authority in the culture and erode confidence in the infallibility of God's Word. Today, Christians increasingly doubt the Bible's reliability. So then do those who are considering placing their faith in Jesus, the Creator. The issues are of critical importance when you realize that today we have Christians not only confused when it comes to Genesis and the age of the earth, but now even the reality of hell, Adam as a real person, and Christ's own words about creation, marriage, and more. One compromise just leads to another, and it has to end if we want to leave a legacy of faith to future generations! --

Change Your World

Is it possible that good things can come out of our broken dreams? Worship leader and recording artist Laura Story's life took an unexpected turn when her husband, Martin, was diagnosed with a brain tumor. Their lives would never be the same. Yes, with God all things are possible. But the devastating news was that no cure existed to restore Martin's short-term memory, eyesight, and other complications. The fairy-tale life Laura had dreamed of was no longer possible. And yet in struggling with God about how to live with broken dreams, Laura has found joy and a deeper intimacy with Jesus. In *When God Doesn't Fix It*, Laura helps you understand that: We aren't the only ones whose lives have taken unexpected turns. Even heroes of our faith experienced brokenness. Despite our flaws and stories, God can use us in extraordinary ways. God may not fix everything. In fact, although your situation might not ever change or get better, with Jesus you can. Not because of your faith, but because of the faithfulness of God.

Because You're Mine

Lovers of acoustic-flavored, guitar driven worship will want to consider this collection of songs from the likes of Chris Tomlin, Matt Redman and other contemporary worship leaders. The Allens weave several of the songs into blended-worship medleys based on particular themes (e.g., "How Can I Keep from Singing?" is joined with the hymn "I Will Sing the Wondrous Story" and the chorus "I Could Sing of Your Love Forever"). Other nice features include simple but effective narration, rendered by the worship leader (with two optional storytellers). Keeping the narration short (and utilizing familiar songs) allows for the collection to be presented more as a worship concert than a performance, therefore fostering more audience participation than is often the case in a choral musical. The production notes also give instructions for an optional communion service that can be incorporated into the mix.

Move beyond Coping and Surviving to a Rejuvenating Place of Soul Rest How many of us find ourselves exhausted, running on empty with no time for rest, no time for ourselves, no time for God? Bonnie Gray knows exactly what that's like. On the brink of fulfilling a lifelong dream, Bonnie's plans suddenly went off script. Her life shattered into a debilitating journey through anxiety, panic attacks, and insomnia. But as she struggled to make sense of it all, she made an important discovery: we all need spiritual whitespace. Spiritual whitespace makes room--room in one's heart for a deep relationship with God,

room in one's life for rest, room in one's soul for rejuvenation. With soul-stirring vulnerability and heartbreaking honesty, Bonnie takes readers on a personal journey to feed their souls and uncover the deeper story of rest. Lyrical writing draws readers into Gray's intimate journey through overwhelming stress to find God in a broken story and celebrate the beauty of faith. Guided by biblical encouragement and thought-provoking prompts, Gray shows readers how to create space in the everyday for God, refreshment, and faith. She also offers practical steps and insights for making spiritual whitespace a reality, right in the midst of the stress-frayed stories in every season of life. "We live in a culture that brags and boasts about being busy. Into that reality steps Bonnie with a new idea. Whitespace is an important concept and Bonnie has captured it perfectly. If you're exhausted with being exhausted, read this book. If you feel too busy to read this book, then that's probably the best sign of all that you need it."--from the foreword by Jon Acuff, New York Times bestselling author of *Stuff Christians Like*

The Child that Books Built

Come along on a great ADVENTure! One that doesn't require time shopping and baking, but one that ushers in the advent of the Kingdom of God on earth. This breaking-through of the holy Presence did not get cleaned up by delivery room nurses and handed to his momma wrapped in a hospital print blanket and matching hat. No, this Presence was birthed in dirt and spent his first night on earth sleeping to the sounds of a mooing cow and a snoring donkey. The smell must have been noticeable, but he was too little and much too polite to mention it. The great ADVENTure we will embark on for these 25 days of preparation will lead us straight to that manger, where we will find ourselves standing among dirty shepherds, regal wisemen, vibrant angels, and his parents. By immersing ourselves in scripture every day, we will hear from the prophets of old and end up at the eyewitness accounts of Christ's arrival. Through our travels, we discern God's purpose for our lives as we navigate another Advent season. May this Christmas be like none other as we journey together. Looking for a small group resource?
