Alice in Wonderland

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

A Study Guide for Charles Dodgson's Alice's Adventures in Wonderland

A Study Guide for Charles Dodgson's "Alice's Adventures in Wonderland," excerpted from Gale's acclaimed Novels for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

The Place of Lewis Carroll in Children's Literature

In this volume, Jan Susina examines the importance of Lewis Carroll and his popular Alice books to the field of children's literature. From a study of Carroll's juvenilia to contemporary multimedia adaptations of Wonderland, Susina shows how the Alice books fit into the tradition of literary fairy tales and continue to influence children's writers. In addition to examining Carroll's books for children, these essays also explore his photographs of children, his letters to children, his ill-fated attempt to write for a dual audience of children and adults, and his lasting contributions to publishing. The book addresses the important, but overlooked facet of Carroll's career as an astute entrepreneur who carefully developed

an extensive Alice industry of books and non-book items based on the success of Wonderland, while rigorously defending his reputation as the originator of his distinctive style of children's stories.

Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass

Emerging in several different versions during the author's lifetime, Lewis Carroll's Alice novels have a publishing history almost as magical and mysterious as the stories themselves. Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice's Adventures in Wonderland and Through the Looking-Glass and investigate how their subsequent transformations through print, illustration, film, song, music videos, and even stamp-cases and biscuit tins affected the reception of these childhood favourites. The authors consider issues related to the orality of the original tale and its impact on subsequent transmission, the differences between the manuscripts and printed editions, and the politics of writing and publishing for children in the 1860s. In addition, they take account of Carroll's own responses to the books' popularity, including his writing of major adaptations and a significant body of meta-textual commentary, and his reactions to the staging of Alice in Wonderland. Attentive to the child reader, how changing notions of childhood identity and needs affected shifting narratives of the story, and the representation of the child's body by various illustrators, the authors also make a significant contribution to childhood studies.

The White Rabbit - Alice's Adventures in Wonderland - Lewis Carroll

If you would like to see a sample of the notebook, click on the "Look Inside" feature. Thank you for your purchase! PAPERGO.CO.

Alice's Adventures in Wonderland - Second Edition

First published in 1865, Alice's Adventures in Wonderland began as a story told to Alice Liddell and her two sisters on a boating trip in July 1862. The novel follows Alice down a rabbit-hole and into a world of strange and wonderful characters who constantly turn everything upside down with their mind-boggling logic, word play, and fantastic parodies. Like the first, this second edition includes Carroll's earlier story Alice's Adventures Under Ground, which allows readers to trace the revisions and to compare Carroll's own illustrations in the original with the famous John Tenniel illustrations for Alice's Adventures in Wonderland. This edition also includes new appendix material: George MacDonald writing on the fantastic, the eighteenth-century children's story Goody Two-Shoes, a section on film and television adaptations of Alice, and new illustrations.

Alice's Bloody Adventures in Wonderland

This satirical adaptation of the Lewis Carroll classic is a twisted retelling of an already absurdist vision of reality. Raul Contreras inspired artwork is an entertaining and modern take on familiar illustrations and the story is no children's bedtime story. In this twisted retelling of Alice's Adventures in Wonderland, the White Rabbit has killed Alice's sister and cat. with a vengeance, she chases after the Rabbit, down, down the rabbit hole and into a dark looking glass of madness. She finds herself a pawn of Wonderland and its inhabitants.

The 360° Gaze

A comprehensive study of the pervasive role of immersion and immersive media in postmodern culture, from a humanities and social sciences perspective. Virtual reality, augmented reality, mixed reality, and other modes of digitally induced immersion herald a major cultural and economic shift in society. Most academic discussions of immersion and immersive media have focused on the technological aspects. In The 360° Gaze, Christian Stiegler takes a humanities and social science approach, emphasizing the

human implications of immersive media in postmodern culture. Examining characteristics common to all immersive experiences, he uncovers dominant metaphors, such as the rabbit hole, and prevailing ideologies. He raises fundamental questions about opportunities and risks associated with immersion, as well as the potential effects on individuals, communities, and societies.

Tracking the White Rabbit

Since its beginning, depth psychology has attempted to change the status quo of individual and cultural life by probing beneath surface appearances. Lyn Cowan explores a number of subjects, considering what possible meanings and implications for change might lie behind the conventional attitudes toward such subjects as: * Abortion * Gender and sexuality * Language * Memory * Melancholy The author puts forward the argument that, although "psychology" and "subversion" are not usually thought of as belonging together, they should be. Such a view, presented clearly with humour and insight, offers a way to think differently about usual things, and yield fresh meaning to some of the pressing dilemmas of our time and how we as individuals may respond to them.

Through the Looking-glass

This ground-breaking analysis of the cultural trajectory of England's first colony constitutes a major contribution to postcolonial studies, offering a template relevant to most cultures emerging from colonialism. At the same time, these Irish case studies become the means of interrogating contemporary theories of translation. Moving authoritatively between literary theory and linguistics, philosophy and cultural studies, anthropology and systems theory, the author provides a model for a much needed integrated approach to translation theory and practice. In the process, the work of a number of important literary translators is scrutinized, including such eminent and disparate figures as Standish O'Grady, Augusta Gregory and Thomas Kinsella. The interdependence of the Irish translation movement and the work of the great 20th century writers of Ireland - including Yeats and Joyce - becomes clear, expressed for example in the symbiotic relationship that marks their approach to Irish formalism. Translation in a Postcolonial Context is essential reading for anyone interested in translation theory and practice, postcolonial studies, and Irish literature during the 19th and 20th centuries.

Translation in a Postcolonial Context

A little girl ventures down a rabbit hole and embarks on a fantastic journey through Wonderland.

Contemporary Theatre Songs - Belter/Mezzo-Soprano

Alice's Adventures in Wonderland is written by English author Lewis Carroll. The story tells about a young girl named Alice, who falls through a rabbit hole into a subterranean fantasy world. Author's real name is Charles Lutwidge Dodgson (27th January 1832-14th January 1898). His pen name is Lewis Carroll. He was an English writer of children's fiction. He was also a mathematician, photographer, inventor. The story revolves around Alice, a 7-year old girl. When she sits at the river bank she notices

a talking white rabbit with a pocket watch. When it starts to run, Alice follows it down to a rabbit hole. She enters into it and discovers a bottle labelled "Drink Me" and a cake labelled "Eat Me". She tastes it. Next chapter is 'The Pool of Tears'. Alice here begins to cry when she finds her growing up to ceiling, she meets a mouse, swimming in her pool of tears. That mouse tries to escape her. The story begins interesting when the rabbit mistaking her as his maid servant Mary Ann, so the rabbit orders Alice. There is a crowd of animals. When the crowd hurts pebbles at her, turns into little cakes. Alice eats them and they reduce her again in size. Actually Alice suffers from Hallucinations and personality disorders and the white rabbit suffers from anxiety disorder, the cat is schizophrenia. Each chapter's story is full of humour. Alice encounter's with many talking animals when she enters into Rabbit hole. On following the white rabbit, it leads her on many adventures throughout the book. Here all the characters are fanciful. One character, Caterpillar is not very friendly to Alice but always helps her. Each character happens to make Alice learn something about life.

Alice in Wonderland

Literature Suppressed on Social Grounds, Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths; challenged widely held assumptions; or contained ideas or language unacceptable to a state, religious institution, or private moral watchdog. The entries new to this edition include the Captain Underpants series, We All Fall Down by Robert Cormier, and Jake and Honeybunch Go to Heaven by Margaret Zemach. Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men.

Alice's Adventures in Wonderland

Presents a history of Alice's adventures in Wonderland, discussing works that were inspired by Lewis Carroll's classic tale.

Literature Suppressed on Social Grounds

A unique exploration of the character, the author, and the many transformations of Alice in modern culture—often in edgy and menacing ways. The Dark Side of Alice in Wonderland is the first investigation of the vast range of darker, more threatening aspects of this famous story, and the way Alice has been transformed over time. Although the children's story has been in print for over 150 years, the mysteries and rumors surrounding the story and its creator Lewis Carroll have continued to grow. Alice has been transformed—this is the Alice of horror films, Halloween, murder and mystery, spectral ghosts, political satire, mental illnesses, weird feasts, Lolita, Tarot, pornography, and steampunk. The Beatles based famous songs such as "Lucy in the Sky with Diamonds" and "I am the Walrus" on Alice's Adventures in Wonderland, and she has even attracted the attention of world-famous artists including Salvador Dali. The Japanese version of Lolita is so different from that of novelist Vladimir Nabokov—yet both are based on Alice. This is Alice in Wonderland as you have never seen her before: a dark, sometimes menacing, and threatening character. Was Carroll all that he seemed? The stories of his child friends, nude photographs, and sketches affect the way modern audiences look at the writer. Was he just a lonely academic, a closet pedophile, a brilliant puzzle maker—or even Jack the Ripper? For a book that began life as a simple children's story, it has resulted in a vast array of dark concepts, ideas, and mysteries. With this book, you can step inside the world of Alice in Wonderland—and discover a dark side you never knew existed.

Alice's Wonderland

(Vocal Collection). Volume 6 of this landmark series includes songs from shows that opened since the release of Volume 5 (2008), such as Aladdin, Big Fish, Catch Me If You Can, A Gentleman's Guide to Love and Murder, If/Then, Memphis, Next to Normal and many others. Volume 6 also explores a deeper look into repertoire from classic shows. This series is the world's most trusted source for great theatre literature for singing actors. Features of the series include: authentic editions for each song in the original key; songs chosen particularly for each voice type; selection of songs from classic and contemporary shows; includes notes about each show and song. Tenor book.

The Dark Side of Alice in Wonderland

A modern retelling of Alice's adventures is accompanied by easy-to-follow instructions for folding all the major characters: Alice herself, the White Rabbit, the Cheshire Cat, the Mad Hatter, The Queen of Hearts, and more. Includes 42 sheets of origami paper.

Singer's Musical Theatre Anthology - Volume 6

Originally conceived by its author as an entertaining story for Alice Liddell, the daughter of an Oxford dean, Alice's Adventures in Wonderland, the fantastic tale of the young Alice's encounters with the White Rabbit, the Cheshire Cat, the Mad Hatter and the Queen of Hearts, has captured the imaginations of young and old throughout the world since it was first published in 1865. In addition to the vivid and unforgettable characters, it is the book's experimental style, linguistic inventiveness and myriad of jokes and puzzles that account for the timeless fascination it inspires. This volume includes John Tenniel's iconic engravings, the sequel Through the Looking Glass and a facsimile of Alice's Adventure's Under Ground, the early manuscript version of the novel illustrated by Lewis Carroll himself.

Alice in Wonderland Origami

THIS STUNNING NEW VERSION OF A CLASSIC IS THE BEST WAY TO ENTER WONDERLAND . . . WITHOUT ACTUALLY FALLING DOWN THE RABBIT HOLE. Alice in Wonderland is one of the most wondrous, truly original stories ever written—filled with magical and marvelous happenings. On its 150th anniversary in 2015, Lewis Carroll's tale of a world gone topsy-turvy gets a unique picture-book retelling of the beginning of Alice's journey, with elegantly simplified text that keeps all of the astonishing adventures and wide-eyed amazement of the original. What a wonderful Introduction for young children to many of the classic Carroll characters - Alice and The White Rabbit, the Blue Caterpillar, Bill the Lizard and more. Many of the most famous phrases are here— like "Curiouser and curiouser" and "Oh dear, oh dear, I shall be too late" to prepare youngsters for the time they're ready to read the whole book in its original form. Award-winning, bestselling artist Eric Puybaret creates an enchanting and magical Wonderland that looks like no other interpretation. Every spread in this magnificently produced volume is rich in charm, gloriously colorful, yet fresh and modern. From the extraordinary White Rabbit in his brilliantly red suit to the timelessly graceful young heroine, this is the Alice today's young children can relate to. It's the perfect, glorious introduction to a classic, a taste of what magic awaits them in the future.

Alice's Adventures in Wonderland, Through the Looking Glass and Alice's Adventures Under Ground

This collection of essays examine how the Disney studio has re-interpreted—for better or worse—classic literature into films both treasured and disdained. The films discussed in this volume include Bambi, The Hunchback of Notre Dame, Peter Pan, Sleeping Beauty, Snow White and the Seven Dwarfs, and Tarzan.

The Annotated Alice

This is the original version of "Alice's Adventures in Wonderland" with Carroll's own original illustrations and John Tenniel's original illustrations. It was hand-written by Lewis Carroll for Alice Liddell between 1862 and 1864. The tale was first told by Carroll on 4 July 1862 to the three young daughters of Henry Liddell, Dean of Christ Church, Oxford, on a river boat trip. At Christmas 1886, the manuscript was published in a facsimile edition. This edition is certainly well worth reading, although it is shorter than the final form of the story-the later "Alice's Adventures in Wonderland" being about twice the length of the original "Alice's Adventures under Ground". Lewis Carroll (1832 – 1898), was an English author, mathematician, logician, Anglican deacon and photographer.

Alice in Wonderland

Only \$6.99! Perfect Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9" - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift!

It's the Disney Version!

The story centres on Alice, a young girl who falls asleep in a meadow and dreams that she follows the White Rabbit down a rabbit hole. ... Later, at the Queen's behest, the Gryphon takes Alice to

meet the sobbing Mock Turtle, who describes his education in such subjects as Ambition, Distraction, Uglification, and Derision.

Alice in Wonderland (Collector's Edition) - With All the Original Illustrations

As striking, counter-intuitive and distasteful as the combination of children and anxiety may seem, some of the most popular children's classics abound in depictions of traumatic relationships, bloody wars and helpless heroes. This book draws on Freudian and Lacanian anxiety models to investigate the psychological and political significance of this curious juxtaposition, as it stands out in Golden Age novels from both sides of the Atlantic and their present-day adaptations. The stories discussed in detail, so the argument goes, identify specific anxieties and forms of anxiety management as integral elements of hegemonial middle-class identity. Apart from its audacious link between psychoanalysis and Marxist, feminist, as well as postcolonial ideology criticism, this study provides a nuanced analysis of the ways in which allegedly trivial texts negotiate questions of individual and (trans)national identities. In doing so, it offers a fresh look at beloved tales like Alice's Adventures in Wonderland, The Wizard of Oz and Peter Pan, contributes to the dynamic field of adaptation studies and highlights the necessity to approach children's entertainment more seriously and more sensitively than it is generally the case.

Follow The White Rabbit

In this retelling of the fantasy-adventure animated film, you'll follow the white rabbit to a topsy-turvy realm with Alice! While dreaming of a world of her own, young Alice is interrupted by a white rabbit who is very late--too late to say hello or where he is headed. She chases after him and falls down a mysterious rabbit hole that leads to a literal wonderland. As Alice journeys further into this strange and chaotic world, things become curiouiser and curiouiser, as do the characters she meets. Before she catches up to the white rabbit and finds her way home again, Alice will realize her curiosity should be tempered with a little patience and thinking ahead. Originally released in 1951, the film Disney Alice in Wonderland is based Lewis Carroll's Alice books, classics of English literature. Celebrate all the curiosities with this hardcover graphic novel retelling!

Alice's Adventures in Wonderland - Illustrated

A fae young adult Alice in Wonderland fairytale retelling for fans of K.M. Shea and Tessonja Odette. They call me the dagger. I'm an assassin and that's all I've ever known. So when a white rabbit tells me that loved ones are waiting for me in the Wonderland Court of Faerie, it's surprising. And then, I learn something even more shocking. The Red Queen stole the Crown of Wonderland from my mother. Murdered her too. The queen singlehandedly created my reality of death and blood and murder. While that's devastating, I can handle those emotions. It's what I have been trained to do. What I don't know how to handle is rebel leader Henri Hatter. He's loved by everyone. A man who sings in the streets because people ask for aether's sake. A faerie who knows more about my past than anyone—including me. A good man who could crush my heart if I let him in. Despite my claims that I work alone, Hatter and two nosey little pixies insist on sticking with me. Only one thing is for sure, with them by my side assassinating the Red Queen will be unlike any other job I've ever tackled. Alice the Dagger is a YA Fae epic fantasy. Readers of Melanie Cellier and Marissa Meyer who love adventure, slow-burn romances, whimsical worlds, spunky sidekicks, and lots of action will love Alice the Dagger.

101 Famous Quotes from Alice in Wonderland

When her entire existence is shattered in the blink of an eye, Ali is forced to partner with secretive bad boy Cole Holland to avenge the deaths of her loved ones by returning an undead army to their graves.

Political Anxiety in Golden Age Children's Classics and Their Contemporary Adaptations

Alice in Wonderland

Based on the classic tale by Lewis Carroll, Alice in Wonderland: The Mad Hatter's Tea Party takes Alice on a further adventure in Wonderland, where she meets the Mad Hatter and the March Hare, the King and Queen, and the other main characters from the original story. The text is a modern re-telling,

appropriate for young children, giving them a delightful introduction to this iconic childhood classic. This beautifully illustrated story is a colourful sequel to Eric Puybaret's delightful *Alice in Wonderland: Down the Rabbit Hole*.

Alice the Dagger

Latin America and Existentialism is a preliminary intellectual history, prioritising literature and contextualising Latin American philosophical contributions from the 1860s to the late 1930s, decades that coincide with the canon's foundational years. This study takes a Pan-American approach to move the critical focus away from the River Plate, a region that has received some critical attention. In doing so, it focuses on existentially-neglected writers such as Brazil's Machado de Assis and Graciliano Ramos, José Asunción Silva from Colombia, Cuba's Enrique Labrador Ruiz, and the Chilean María Luisa Bombal. Underappreciated Latin American philosophical voices and existentialism's canonical perspectives allow the author to discuss the many problems concerning the experiencing 'I' of these authors, and to consider such existential themes as ethical vacuity, forlornness, the crisis of insufficiency, the conundrum of choice, and the enigma of authentic being. The concentration on Latin America's existentially-hued interest in the human condition is an invitation to the reader to reconsider the peripheral status in the existentialism canon.

Alice in Zombieland

Follow Alice as she again dives down the rabbit hole into a classical world of wonderful imagination. This special unabridged BLACK & WHITE graphic novel edition is produced to mark the 150th anniversary of Lewis Carroll's *Alice's Adventures in Wonderland*. Alice and the White Rabbit ("I'm late!"), the Cheshire cat ("A grin without a cat!"), the March Hare, Mad Hatter and Dormouse (treacle and twinkle) and the impassioned Queen of Hearts ("Off with their head!"): all are characters who have remained enchanting to both children and adults for a century and a half, and now a visual age can enjoy this enduring classic. Twenty years in the making, this is the first word-for-word adaptation that incorporates illustrations reminiscent of Sir John Tenniel's classic Victorian woodcuts. The art is rich and lavish, filled with hidden pictures and visual easter eggs. The unique, fully illustrated design will delight even the most reluctant reader! Be it your first time to Wonderland or a return visit, join in this celebration of 150 years of Alice.

Follow The White Rabbit

The Myth: Alice was an ordinary girl who stepped through the looking glass and entered a fairy-tale world invented by Lewis Carroll in his famous storybook. The Truth: Wonderland is real. Alyss Heart is the heir to the throne, until her murderous aunt Redd steals the crown and kills Alyss' parents. To escape Redd, Alyss and her bodyguard, Hatter Madigan, must flee to our world through the Pool of Tears. But in the pool Alyss and Hatter are separated. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the violent, heartbreaking story of her young life. Yet he gets the story all wrong. Hatter Madigan knows the truth only too well, and he is searching every corner of our world to find the lost princess and return her to Wonderland so she may battle Redd for her rightful place as the Queen of Hearts.

Alice in Wonderland: The Mad Hatter's Tea Party

This Oxford companion provides an authoritative reference source for fairy tales, exploring the tales themselves, both ancient and modern, the writers who wrote and reworked them and related topics such as film, art, opera and even advertising.

Alice's Adventures in Wonderland

In the time of Freud, the typical psychoanalytic patient was afflicted with neurotic disorders; however, the modern-day psychotherapy patient often suffers instead from a variety of addictive disorders. As the treatment of neurotic disorders based on unconscious conflicts cannot be applied to treatment of addictive disorders, psychoanalysis has been unable to keep pace with the changes in the type of

patient seeking help. To address the shift and respond to contemporary patients' needs, Ulman and Paul present a thorough discussion of addiction that studies and analyzes treatment options. Their honest and unique work provides new ideas that will help gain access to the fantasy worlds of addicted patients. The Self Psychology of Addiction and Its Treatment emphasizes clinical approaches in the treatment of challenging narcissistic patients struggling with the five major forms of addiction. Ulman and Paul focus on six specific case studies that are illustrative of the five forms of addiction. They use the representative subjects to develop a self psychological model that helps to answer the pertinent questions regarding the origins and pathway of addiction. This comprehensive book links addiction and trauma in an original manner that creates a greater understanding of addiction and its foundations than any clinical or theoretical model to date.
