"We'd better not let my sis see us like this..." My girlfriend's younger twin sister has somehow become my new stepsister?! "You sound really nervous right now. You're just so adorable, bro." It's been a month since I've started dating Haruka, my first ever girlfriend. We even finally reached first base today—holding hands! "What a bad boyfriend you are. To think you're daydreaming about your little sister while you're holding hands with your girlfriend, of all people!" Today's also special for a different reason—my dad's getting remarried, which means I get a new stepsister. Her name is Shigure, and she's pretty much the spitting image of Haruka. That's no surprise though, given that she's actually Haruka's long-lost twin sister! Due to family circumstances, they were split up at birth. "It's okay, bro. I look exactly like sis does, right down to... well, you know. I don't blame you at all." Her presence adds a new, twisted form of love that tangles itself into our protagonist's passionate love life! He can't possibly tell his girlfriend what's been going on! Be sure to check out this saucy romcom with a raunchy and rather needy stepsister!

Punk 57

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

"With or Without You is a moving novel about twists of fate, the shifting terrain of love, and coming into your own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art." —Madeline Miller, author of *Circe* A Best Book of the Month: Bustle * PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in *With or Without You*, it seems at first that such happiness can come only at someone else's expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella's best friend, Libby, a doctor who treats Stella, must also make a difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella's whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a new life, one she hadn't even realized she wanted. A story of love, loyalty, loss, and resilience, *With or Without You* is a page-turner that asks the question, What do we owe the other people in our lives, and when does the cost become too great?

Michaud-- will take them deep into the minds of his prey, the world's most dangerous sexual criminals, and reveal the extent to which these individuals permeate our society. Profiler Roy Hazelwood is one of the world's leading experts on the strangest and most dangerous of all aberrant offenders-- the sexual criminal. In *Dark Dreams* he reveals the twisted motive and thinking that go into the most reprehensible crimes. He also catalogs the innovative and remarkably effective techniques-- investigative approaches that he helped pioneer at the FBI's Behavioral Science Unit-- that allow law enforcement agents to construct psychological profiles of the offenders who commit these crimes. Hazelwood has helped track down some of the most violent and well-known criminals in modern history; in *Dark Dreams* he takes readers into his world-- a sinister world inhabited by scores of dangerous offenders for every Roy Hazelwood who would put them behind bars: * A young woman disappears from the convenience store where she works. Her skeletonized remains are found in a field, near a torture device. Who committed this heinous crime? And why? * A teenager's body is found hanging in a storm sewer. His clothes are neatly folded by the entrance and a stopwatch is found in his mouth. Is he the victim of a bizarre, ritualistic murder...or an elaborate masturbatory fantasy gone awry? * A married couple, driving with their toddler in the backseat, pick up a female hitchhiker. They kidnap her and for seven years keep her as a sexual slave. The wife agreed to this inhuman arrangement in exchange for having a second child. Who was to blame? As gruesome as the crimes are and as unsettling as the odds seem, Hazelwood proves that the right amount of determination and logic can bring even the most cunning and devious criminals to justice. *Dark Dreams* is a 2002 Edgar Award Nominee for Best Fact Crime.

Our Way

Nathan Mercer, the only man in my life. Loving him was never an option. We met ten years ago, when we started at the same company on the same day. Both new in town and with nobody else to rely on, we quickly became friends. And while Nathan went on to rule San Francisco, I'm still doing the same job with the same people. We finish each other's sentences, we spend Christmas together and he sleeps at my house more than his. He's beautiful.... beyond belief. In another life, he's probably my soul mate. However, lately things have changed. He's started looking at me differently. His eyes drop to my lips as I speak. His hugs are tighter.... longer. Our fights are more passionate, his jealousy insane. I know it's all in my head.... it has to be. They say to never love someone who treats you like you're ordinary. I don't. To him I'm a queen. But our story is complicated. And as much as I love Nathan Mercer with all of my heart. . . He's the one man I can never have.

Buddhism and Abortion

Abortion is arguably the most controversial and divisive moral issue of modern times, but up until now the debate has taken place almost exclusively within a Western cultural, religious and philosophical context. For the past three decades in the West arguments both for and against abortion have been mounted by groups of all kinds, from religious fundamentalists to radical feminists and every shade of opinion in between. Rather than mutual understanding, however, the result has been the polarisation of opinion and the deepening of entrenched positions. In the face of this deadlock a new perspective is urgently required. Buddhism is an ancient tradition which over the centuries has refined its distinctive beliefs and values in the course of a long interaction with the major cultures of Asia. As Buddhism continues to engage the attention of the West, the time is now opportune for its views on abortion to be heard. This is the first book to explore the abortion question from a range of Buddhist cultural and ethical perspectives. The approach is interdisciplinary and will be of relevance to those working in fields such as law, ethics, medicine, philosophy, religion, the social sciences and women's studies.
